Last year's attendees said

'Enjoyed the range of speakers and the workshops.... Informative and made me aware of resources and support available'

'[the workshop] helped us with writing our climate action plan and also offered free services which we can access'

'I am new in post as a sustainability lead and this was perfect to give me confidence in how to move forward'

'I found the workshops really useful, to be able to discuss ideas and plans with like minded people and also to learn more from others'

'Just enlightening and inspiring. Going to make such a difference to our setting'
